

I recently got married. Its been amazing and has led to some hilarious fights that I write about at skitzzo.com (Yes,cheap sport jerseys, I know I have too many blogs. And yes,nfl jerseys cheap,custom football jerseys, I'm seeking treatment.)

Where is the Blogosphere going?

The nature of rumor is known to all. — Tertullian, Roman church father (c. 150-230)

Really, to watch Contreras try to outrace David Ortiz(notes) to first — a lost contest that opened the door for six Red Sox runs — was to believe that the number on his back truly equals his age.

The mind that's conscious of its rectitude/Laughs at the lies of rumor. — Ovid, Roman poet (43 BC-AD 18)

Rumor is a pipe/Blown by surmises, jealousies, conjectures. — Shakespeare, in Henry IV, Part 2, Act 1

Which Spheroid did you copy these questions from?

Happiness is:

All season, the White Sox viewed Jose Contreras(notes) like the aging Ford Taurus in the driveway — a little battered and bruised, sure,make your own basketball jersey,nfl authentic jerseys, but armed with at least a few good miles in there. As such, they told fans that he'd be fine for small tasks, like going five innings and for short trips to the grocery store ... so long as they crossed their fingers,football jerseys custom, of course.

What would you be doing if you weren't blogging?

Probably talking my Dad's ear off. We talk baseball quite a bit but I always end up talking more than he does. So now instead of running up the phone bill, I just blog and make sure he reads it.

I enjoy reading the blogs of people in the game like John Rodriquez or Mike Shannon. I also make sure to never miss Hot Stove and Beyond,authentic nfl jersey, Party like its 1982,2012 nike nfl uniforms, and The Old English D.

The World Champion St. Louis Cardinals. I grew up just outside of St. Louis and was raised a Cardinals fan. Scott Terry handed me a ball at my first game (I was too young to remember but have been told the story a hundred times) and I've been hooked ever since.

I love sports. Specifically baseball,make a basketball jersey, but really I just love sports in general. I also enjoy writing, so blogging seems to be a pretty natural extension of those two hobbies. Plus,nike nfl pro combat uniforms, I'm always digging around the Net for the latest rumor anyway,custom college football jersey, so why not post what I find?

I am astonished to observe how willing men are to lumber their minds with such rubbish, — to permit idle rumors and incidents of the most insignificant kind to intrude on ground which should be sacred to thought. Shall the mind be a public arena,new nfl jerseys, where the affairs of the street and the gossip of the tea-table chiefly are discussed? — Henry David Thoreau, 1863

Rumor doth double, jerseys online store, like the voice and echo/The numbers of the feared. — Shakespeare, nike football jerseys, Henry IV, make your own nfl jersey, Custom Nike NFL Game Jerseys, Part 2, dog football jersey, Act 2

Having said all that, baseball fans love rumors. For better or for worse, Maple Leafs Jerseys, nike nfl football, nike nfl jerseys 2012, they make the Hot Stove go around. There will be rumors left and right, around the clock, unc basketball jersey, between now and Spring Training, and even they don't end. The Rumor Mill is the newest purveyor of juicy rumors at MLBlogs, discount nfl jerseys, baseball jerseys cheap, a convenient repository for right or wrong, hits and misses. Although there is no real identity attached to that blog, boston red sox jersey, there is a Spheroid, nhl jersey cheap, and we thank that MLBlogger for replying to these questions:

I think it's become the newest form of media. The quickest way to get news out there is for bloggers to pick it up and run with it. I think quality writers now have a better chance of making a name for themselves and developing "fans", if you will. I think secretly, michigan hockey jersey, every MLBlogger (is that we are called?) secretly wants to be a sportswriter and who knows, nfl authentic jersey, maybe some will.

At any rate, the White Sox are now sending Contreras to the bullpen for what are probably his final weeks as an MLBer. Former Cy Young winner Jake Peavy (notes) and his gimpy ankle could serve as rotation replacements when Saturday at new Yankee Stadium rolls around, football jersey, but anyone wanting me to make a cash for clunkers references should stop right there.

What is one thing people don't know about you?

That program's over, nhl jersey history, much like the pitching career of Cuba's great Bronze Titan.

The Cardinals finally winning a World Series title in my lifetime (hey, nike and nfl, I'm a young-un). I was at Game 4 of the 2004 World Series and, while it was awesome to see history being made and the Red Sox fans finally getting to celebrate, sports jerseys wholesale, it feels a lot better to be on this side of it. GO CARDS, nfl jersey!

Contreras showed signs of his old self here and there, mlb jerseys cheap, but for the most part he produced one malfunction after another and, with few other options, Chicago was forced to stick with him as a main ride. That led to Monday night, when the team took Contreras onto one of the busiest and most dangerous highways imaginable — Boston's Fenway Park in late August — and watched as his engine sputtered, nike basketball jerseys, churned and then completely burst into flames in the third inning as Boston's offense zoomed past.

What was your favorite post?

I've had a couple of controversial sports blogs before joining up here at MLBlogs. My football blog firemartz.com ended getting me interviewed when Mike Martz did indeed get fired, nike nfl combat jerseys, and my fanforhire.com blog brought in an amazing amount of hate mail from both Cubs fans and Cardinals fans alike. Seeing Drayton Florence come through One Bills Drive for a free agent visit Thursday,create basketball jersey, you have to believe that Bills National Scout Buddy Nix had a lot of influence concerning the visit.

Being the former Director of Player Personnel for the Chargers,nba kids jersey, Florence was a former second-round pick under Nix's watch in 2003. Being around him every day for four seasons gives Nix intimate knowledge about Florence and his abilities. That first hand knowledge is obviously a big advantage.

The interest in Florence is also an indication that the Bills are prepared for the possible departure of Jabari Greer via free agency. Adding a veteran corner with playoff experience would be valuable if Florence is determined to be the answer for Buffalo's cornerback vacancy.

Rumor has it the Kings are actually almost healthy.

That's the first time anyone has had that thought in almost two seasons.

Marty Straka is expected to play against the Wild tonight.

Jason Holland and Dustin Brown also might be back in the line-up.

The Kings' two big scratches are Jason Allison and Adam Deadmarsh,youth football jerseys, who have been off the ice for over a year. Coach Andy Murray said he has no idea if and when they'll play again. But LA is getting pretty good at playing without them. They're hanging onto that eighth playoff spot.

Sharks coach Ron Wilson says he saw last night's 3-0 loss to Calgary coming.

I'm not sure what that says about him as a coach. It might have helped his team if he had warned them they were going to lose. Or better yet, make a hockey jersey, baseball jerseys for sale, if he had taken some steps to avoid the loss.

Calgary was flying last night. Wilson probably should have had three men back the whole night and just tried to tire Calgary out. Instead the Flames had the run of the ice.

Will Calgary clinch at home Wednesday? Probably not. No team has won at home in this series. But it sure would be nice if one of the teams could put on a show for their home fans for once.
